The screenshot shows a web form titled "Mail a Data File to Fox-msg" with the FOX marketing services group logo at the top. The form is divided into three numbered steps:

- 1 Attach Files** (up to 10 files, maximum file size 2GB): This step features a large empty box for file uploads and a "BROWSE" button. An arrow points from the explanatory text "Browse to the file you wish to upload, multiple files need to be compressed." to the "BROWSE" button.
- 2 Your Email Address**: This step includes a text input field for an email address. An arrow points from the explanatory text "Type your email address here to receive a notification that your file has been received." to this field.
- 3 Message (optional)**: This step has a text area for a message. An arrow points from the explanatory text "Leave any message or instructions here for Fox-msg to receive." to this text area.

At the bottom of the form is a "Send All Files" button. The footer of the page contains the text: "Developed & Hosted by Dessal | ©2005 - 2011 | Powered By MailBigFile.com" with small icons for the UK and France.
